Good things come

WELCOME TO WOLFERMAN'S

Over 100 years ago, Louis Wolferman moved to Kansas City, the heartland of America, and invested in a corner grocery store. His son, Fred, took over this family business and helped it grow beyond what his father had ever dreamt it would become. Fred established the Wolferman's tradition of fine baking and made a promise to offer customers "good things to eat." It was a simple promise, but an important one that we are proud to uphold to this day. From the signature English muffins that we're known for to new and exciting bakery delights, we're happy to share with you only the best.

We hope you enjoy every bite.

A NEW Classic Croissants
